

Introducing VOICEPASS

VoicePass is our new **calling plan solution** designed to make business communication simple, reliable, and hassle-free. With **unlimited/always-on** local calls to both fixed and mobile lines, as well as outstation calls, your team can stay connected anytime, anywhere.

Just pay and forget, we've got everything covered.

How to use VoicePass?

Starting from ZERO with no phone system?

Get the **complete package**:

Yeastar IP-PBX + Subscription Plan + VoicePass, an easy-to-use system with unlimited/always-on calls!

Scenario 1

Step 1:
Choose Your Preferred
Yeastar IP-PBX

P520:
20 users

P550:
50 users

P560:
100-200
users

P570:
300-500
users

Step 2:

Choose Your Yeastar Subscription Plan & VoicePass Setup

Select your preferred Yeastar Subscription Plan:
Standard Plan | Enterprise Plan | Ultimate Plan

Then **choose VoicePass** (Default: 1 DID & 1 Call Channel (CC)
with unlimited/always-on calls).

Need more DID & CC? **Add-ons are available from**
RM960/year per DID/CC.

Already have some Yeastar gear? Just pick the missing pieces.
No extras. No waste. Just what you need!!

Scenario 2

**Already own a Yeastar
IP-PBX?**

Add a **Yeastar Subscription
Plan + VoicePass**
and start making
unlimited/always-on calls!

Select your preferred Yeastar Subscription Plan:
Standard Plan | Enterprise Plan | Ultimate Plan

Then **choose VoicePass** (Default: 1 DID & 1 Call Channel (CC)
with unlimited/always-on calls).

Need more DID & CC? **Add-ons are available from**
RM960/year per DID/CC.

Scenario 3

**Already have a
Yeastar IP-PBX + Yeastar Subscription Plan**
but unsure which phone line to **choose?**

Start your unlimited/always-on calling
journey with **VoicePass!**

Choose VoicePass
(Default: 1 DID & 1 CC
with unlimited/always-on calls)

Need more DID & CC?
Add-ons from
RM960/year/DID/CC

Are you in one of those scenarios? Then check out our **VoicePass package** below and bring your communication to the next level.
